### 2020 DRAINAGE CONFERENCE

This is the 62<sup>nd</sup> LICO annual convention and the 37<sup>th</sup> DASO convention. Once again, we are planning an agenda filled with interesting topics and updates on issues that are relevant to our members. We have continued the special registration for contractor crew members which will allow you to bring your key personnel to hear the messages first hand and take them back to your worksites. This is a great opportunity to connect with old friends and make some new ones, while finding out what has changed in the industry over the course of the year.

Register now! This will save you both money and time at the convention waiting at the registration desk! Pre-registration forms **MUST** be received with payment **by January 9, 2020**.

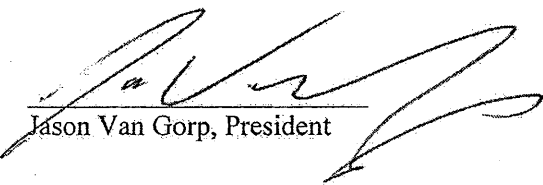

The Red Cross Course is offered Tuesday, January 21<sup>st</sup>. Even if you were trained last year you should consider this course. You never know when you will need it and safety is everyone's responsibility. Questions on course content should be directed to 705-606-0234.

The Suppliers' Reception will be held in the Exhibit area on Wednesday, January 22<sup>nd</sup> from 4:30 PM to 6:00 PM. Registration for the convention entitles you to attend this event and it is an opportune time to mingle with exhibitors and friends.

The Awards Banquet will be held on Wednesday evening at 6:30 pm in the Ballroom. The Entertainment committee has arranged a special evening of enjoyment.

To make your room reservations at the Best Western Lamplighter Inn, call them direct at (519) 681-7151 or 1-888-232-6747 and state you are attending the LICO conference to receive the preferred rate.

Watch the LICO website [www.drainage.org](http://www.drainage.org) for more information on the conference and we look forward to seeing you all there!
